

Informatics for Pharmacy Students

Version 3 Contents

Foreword and Acknowledgements

Competency Framework (File)

This document contains 31 competency indicators for pharmacy students, and was developed to guide the development of the e-Resource. In each Chapter, competencies addressed are highlighted.

Editor's Welcome

Chapter 1: Key Concepts in Informatics and e-Health

Section 1: Introduction, Learning Objectives and Competency Indicators (Book)

Section 2: The Field of Informatics and Careers (Book)

Poll: "What Informatics is Not"

Debrief (Page)

Glossary: Pharmacy Informatics (URL)

Activity: Can you get 5 A's?

Section 3: Influences and Examples (Book)

Virtual Patient: M.D.'s Records

Section 4: Pharmacy Informatics, Pharmacist's Role and Canadian Issues (Book)

Virtual Student: Connected D.W.

Resource: ASHP Statement on the Pharmacist's Role in Informatics (File)

Resource: ASHP Statement on the Pharmacy Technician's Role in Informatics (File)

Section 5: e-Health Explored (Book)

Quiz: Key Concepts in Informatics and e-Health

Evaluation Survey: Key Concepts in Informatics and e-Health

Certificate of Completion: Key Concepts in Informatics and e-Health

Chapter 2: Electronic Health Records: Components and Standards

Section 1: Introduction, Learning Objectives and Competency Indicators (Book)

Section 2: Patient Records: Going Digital, Connecting Information & EHRs (Book)

Resource: Alberta Netcare

Section 3: Interoperability, Standards, Terminology, and Abbreviations (Book)

Canadian Clinical Drug Data Set (File)

Resource: IMP's List of Error-Prone Abbreviations (File)

Virtual Student: J.T. Lessons

Section 4: Drug Information Systems and Personal Health Records (Book)

Brochure: PEI DIS (File)

Quiz: Electronic Health Records: Components and Standards

Evaluation Survey: Electronic Health Records: Components and Standards

Certificate of Completion: Electronic Health Records: Components and Standards

Chapter 3: Privacy, Security, and Confidentiality

Section 1: Introduction, Learning Objectives and Competency Indicators (Book)

Poll: Is Technology the Best Solution?

Section 2: Safeguarding Privacy through Codes of Ethics (Book)

Poll: Protecting Privacy

Section 3: The Need for Frameworks (Book)

Section 4: Legislation in Canada and Issues of Consent (Book)

Virtual Patient: R.T.'s Dilemma

Virtual Patient: The Well Intentioned Traveller

Section 5: Disclosure and Access (Book)

Poll: Limits of Confidentiality

Virtual Patient: Concerned Sarah

Section 6: Security (Book)

Poll: J.P. and E.M.

Poll Debrief (Page)

Section 7: Types of Breaches (Book)

Case Example: Breach of Patient Confidentiality (File)

Section 8: Confidentiality Issues in Storage and Transmission (Book)

Virtual Patient: The Good Old Hockey Game

Section 9: Culminating Video and References (Book)

Quiz: Privacy, Security, and Confidentiality

Evaluation Survey: Privacy, Security, and Confidentiality

Certificate of Completion: Privacy, Security, and Confidentiality

Chapter 4: Clinical Documentation

Section 1: Introduction - Key Points - Learning Objectives – Competency Indicators (Book)

Optional Resource: A Guide to Better Physician Documentation (File)

Section 2: Where Documentation Occurs (Book)

Virtual Patient: Mr. Smith's Chart

Section 3: Legal Considerations (Book)

Fact Sheet: Clinical Documentation (File)

Resource: Pharmacists Medical Malpractice Case Study (File)

Section 4: Note Writing Fundamentals (Lesson)

Fraser Health: Health Record Policy (File)

Section 5: Formats, Style and Templates (Book)

Poll A: Documentation Format in University Program

Poll B: Documentation Format in Training Site

Virtual Patient: Document for Terry

Section 6: Practice Cases (Activity)

Worked Examples SOAP, DAP, DRP (Folder)

Section 7: Barriers and Solutions to Documentation (Book)

Poll: Case Scenario

Section 8: Expanded Scope and Services – Templates and Tips (Book)

Medication Reviews (Folder)

Notifications and Assessment (Folder)

Vaccinations – Consent and Notification (Folder)

Alberta Care Plans – Digital Documentation (File)

Section 9: Conclusion and References (Book)

Quiz: Clinical Documentation

Evaluation Survey: Clinical Documentation

Certificate of Completion: Clinical Documentation

Chapter 5: Digital Information Resources

Part 1: Introduction to Drug Information

Section 1: Introduction, Learning Objectives and Competency Indicators (Book)

Section 2: Drug Information: Sources and Process (Lesson)

Part 2: The CPS and RxTx

Section 3: CPS and its Digital Counterpart, RxTx (Book)

Resource: CPS at a Glance (File)

Navigating the CPS

Using RxTx #1

Using RxTx #2

Practice Questions 1

Practice Questions 2

More Practice Questions

Section 4: Compendium of Therapeutic Choices (RxTx) (Book)

CTC Activity

Part 3: Canadian Resources (Drug Product Database, NAPRA Drug Schedules, Provincial Drug Formularies)

Section 5: Drug Product Database (DPD) (Book)

Navigating the DPD #1

Navigating the DPD #2

Poll – Open Access to Monographs

Poll – Choose a Monograph Resource

Section 6: Drug Schedules (NAPRA Website) (Book)

Activity: NAPRA

Poll: Drug Formulary Coverage

Section 7: Drug Formularies (Book)

Activity: Provincial Drug Formulary

Provincial Drug Formulary Activity (Word Download)

Part 4: U.S. Resources (Micromedex, Lexicomp and Natural Medicines)

Section 8: Micromedex (Book)

Micromedex Activity

Section 9: Lexicomp (Book)

Lexicomp Activity

Section 10: Natural Medicines (Book)

Natural Medicines Activity

Part 5: Miscellaneous Resources (Pharmacist's Letter, Rx Files, Mobile Apps)

Section 11: Canadian Pharmacist's Letter and RxFiles (Book)

Section 12: Mobile Apps (Book)

Part 6: Patient Safety: Med Effect and Adverse Effect Reporting

Section 13: Patient Safety: Health Canada MedEffect (Book)

Section 14: Patient Safety: ISMP Medication Incident/Near Miss Reporting Program (Book)

Poll: To Report or Not?

Part 7: Quiz, Evaluation Survey and Certificate

Quiz: Digital Information Resources

Evaluation Survey: Digital Information Resources

Certificate of Completion: Digital Information Resources

Chapter 6: Evidence Based Medicine: An Introduction

Section 1: Introduction, Learning Objectives and Competency Indicators (Book)

Section 2: Finding, Evaluating, and Applying the Evidence (Book)

Section 3: Searching PubMed (MEDLINE) for Evidence (Book)

PubMed Activity

Section 4: Critical Appraisal (Book)

Virtual Patient: Suzanne's Clinical Question

Learning Activity: Evaluating News Media Information (Lesson)

Evaluating News Media: Scenario 1

Evaluating News Media: Scenario 2

Evaluating News Media Activity (Word Download)

Quiz: Evidence Based Medicine: An Introduction

Evaluation Survey: Evidence Based Medicine: An Introduction

Certificate of Completion: Evidence Based Medicine: An Introduction

Chapter 7: Clinical Practice Guidelines

Section 1: Introduction, Learning Objectives and Competency Indicators (Book)

Section 2: Clinical Practice Guidelines (Book)

Section 3: Implementation of CPGs (Book)

 CMA CPG Infobase Activity

 CPG Matching Activity

Quiz: Clinical Practice Guidelines

Evaluation Survey: Clinical Practice Guidelines

Certificate of Completion: Clinical Practice Guidelines

Chapter 8: Minor Ailments Virtual Patients

Section 1: Introduction, Learning Objectives and Competency Indicators (Book)

Section 2: Minor Ailments Resources and Virtual Patients (Book)

Mary's e-Visit (Virtual Patient)

Natasha's Appointment (Virtual Patient)

John's Case (Virtual Patient)

Evaluation Survey: Minor Ailments Virtual Patients

Certificate of Completion: Minor Ailments Virtual Patients

Chapter 9: Vaccination Schedules, Registries, and Resources

Section 1: Introduction, Learning Objectives and Competency Indicators (Book)

Section 2: Immunization Schedules (Book)

Immunization Schedule Tool Activity

Vaccinations Case

Vaccine Identification Database Search Activity

Section 3: Immunization Registries and Documentation (Book)

Section 4: CANImmunize – A Digital Immunization Record for Canadians (Book)

Functions of the CANImmunize App

Quiz: Vaccination Schedules, Registries, and Resource

Evaluation Survey: Vaccination Schedules, Registries, and Resources

Certificate of Completion: Vaccination Schedules, Registries, and Resources

Chapter 10: Consumer Health Informatics

Section 1: Introduction, Learning Objectives and Competency Indicators (Book)

Section 2: Why People Start Using Technology (Book)

Section 3: Diffusion of Innovation (Book)

Section 4: Adoption of Innovation (Book)

Poll: What kind of adopter are you?

Rate of Adoption

Section 5: eHealth Literacy (Book)

Virtual Patient: Is Susan e-Health Literate?

Section 6: Trends and Examples (Book)

Section 7: Critically Appraising Consumer Health Informatics Tools (Book)

Case Study: Critical Appraisal

Section 8: Apo-mediation (Book)

Virtual Patient: Eleanor - A Concerned Parent File

Section 9: Self-Help and Self-Care (Book)

Section 10: Websites with Drug Information (Book)

Section 11: Concluding Thoughts (Book)

Quiz: Consumer Health Informatics

Evaluation Survey: Consumer Health Informatics

Certificate of Completion: Consumer Health Informatics

Chapter 11: Telehealth and Telepharmacy

Section 1: Introduction, Learning Objectives and Competency Indicators (Book)

Section 2: Telemedicine, Telehealth and Telehomecare (Book)

Section 3: Telepharmacy, Mail Order/Internet Pharmacy and Remote Dispensing (Book)

Poll: Classify This

Quiz: Telehealth and Telepharmacy

Evaluation Survey: Telehealth and Telepharmacy

Certificate of Completion: Telehealth and Telepharmacy

Chapter 12: Pharmacy Practice Management Systems (PPMS)

Section 1: Introduction, Learning Objectives and Competency Indicators (Book)

Section 2: Focus on Pharmacy Records & Systems (Book)

Section 3: Drug Interaction Alerts: Clinical Decision Support Tools (Book)

Poll: How are Alerts Handled?

Section 4: Data Fields and Product Recall Case Study (Book)

Activity: Product Recall Case Study (Lesson)

Section 5: National Survey and NAPRA Requirements (Book)

Resource: Requirements for Pharmacy Practice Management Systems (NAPRA, 2013)
(File)

Poll: e-Prescribing Concerns

Quiz: Pharmacy Practice Management Systems (PPMS)

Evaluation Survey: Pharmacy Practice Management Systems (PPMS)

Certificate of Completion: Pharmacy Practice Management Systems (PPMS)

Chapter 13: e-Prescribing

Section 1: Introduction, Learning Objectives and Competency Indicators (Book)

Section 2: e-Prescribing: History & Overview (Book)

Resource: The Effect of Handwritten Prescription Orders on Pharmacists Clarification Calls (File)

Poll: Defining e-Prescribing

Section 3: PrescribeIT (Book)

Section 4: e-Prescribing: Research and International Examples and Evidence (Book)

Resource: e-Prescribing Joint Statement (File)

Poll: Is e-Prescribing Feasible?

Quiz: e-Prescribing

Evaluation Survey: e-Prescribing

Certificate of Completion: e-Prescribing

Chapter 14: Order Sets, CPOE, and e-Med Rec

Section 1: Learning Objectives and Competency Indicators (Book)

Section 2: Medication Use System (Book)

Section 3: Clinical Order Sets (Book)

Section 4: Computerized Prescriber (Provider) Order Entry (CPOE) (Book)

Poll: Impact of CPOE

Resource: ST CPOE Executive Summary (Brochure) and Guidelines (File)

Resource: CPOE Toolkit Presentation (File)

Section 5: Focus on Safety and Alerts (Book)

Resource: Improving Safety with Information Technology (File)

Section 6: e-Medication Reconciliation (e-MedRec) (Book)

Med Rec Activity

Section 7: Medications at Discharge and Transfer of Information/Care (Book)

Resource: Electronic Medical Information Transfer Tool (File)

Quiz: Order Sets, CPOE, and e-Med Rec

Evaluation Survey: Order Sets, CPOE, and e-Med Rec

Certificate of Completion: Order Sets, CPOE, and e-Med Rec

Chapter 15: Automation for Safety in Medication Distribution

Section 1: Introduction, Learning Objectives and Competency Indicators (Book)

Section 2: Medication Use System, Pharmacy Processes and Automation (Book)

Section 3: Reducing Errors Through the Use of Medication Automation Systems/Technologies (Book)

Section 4: The Pharmaceutical Supply Chain (OPTIONAL) (Book)

Resource: Pharmaceutical Supply Chain (GS1) (File)

Section 5: Raising the Bar(Code) on Patient Safety: Reducing Errors Using Product Identification Technologies (Book)

Section 6: A Lens to What the Future Holds (Book)

Quiz: Automation for Safety in Medication Distribution

Evaluation Survey: Automation for Safety in Medication Distribution

Certificate of Completion: Automation for Safety in Medication Distribution

Chapter 16: Information Management and Technology in Healthcare

Section 1: Learning Objectives and Competency Indicators (Book)

Section 2: Complexity and Information (Book)

Poll: Monthly Data Usage

Section 3: Data – Information – Knowledge – Wisdom (Book)

Poll: The DIKW Pyramid and You

Section 4: Information in Healthcare – Creation and Use (Book)

Section 5: Big Data (Book)

Quiz: Information Management and Technology in Healthcare

Evaluation Survey: Information Management and Technology in Healthcare

Certificate of Completion: Information Management and Technology in Healthcare

Chapter 17: Optional Chapter: Computers, Networks, and Computational Thinking

Section 1: Learning Objectives and Competency Indicators (Book)

Section 2: Introduction to Computational Thinking (Book)

Section 3: The Two A's of Computational Thinking: Abstraction & Automation (Book)

Section 4: Counting, Sorting, Search (Book)

Poll: Sorting it Out

Resource: Computational Thinking and Thinking About Computing (File)

Section 5: Computer Fundamentals (Book)

Section 6: Networks and Authentication (Book)

Section 7: Data Analysis and Structure (Book)

Quiz: Computers, Networks and Computational Thinking

Evaluation Survey: Computers, Networks and Computational Thinking

Certificate of Completion: Computers, Networks, and Computational Thinking
